

Welcome to the Glorifires!

"Let your light so shine before
men, that they may see your good
works, and glorify your Father
which is in heaven."

Matthew 5:16

Who are the Glorifires? We are a children's choir for guys and girls from kindergarten to sixth grade.

What do we do? We sing, obviously. We also do drama, community service work, and have good clean fun.

When do you sing? Every Sunday morning you'll find us in worship from 10:30 to 10:55. We (the directors) "pick the kids up" at 10:30 from Sunday School class for a time of singing and praise.

Where do you sing? Our room is located directly across the hallway from the sanctuary. We're the ones with a big yellow sun and endless skies.

How do you join? Come to Sunday School at ten o' clock! Children come directly from class to choir so if you attend Sunday School you're already a part of the group! We do understand that not every child likes to sing so if you're not a singer, come anyway, and we'll be sure you find a way to participate in worship.

See you there!
